EXPERIENCE

FastSigns Medina - *Lead Graphic Designer*

March 2017 - Present

- Tasked with managing all of the design and print work for the team of salesmen. This includes either designing something from the ground up or working with the clients existing designs to reach their desired outcome.
- Sending proofs and mock ups to customers during the design process and before production for approval to make sure everything is correct.
- Daily machine maintenance for our 2 printers and 2 plotters to ensure they are kept in good working order.
- Help out with production as needed applying vinyl, hanging signs and banners, and applying vehicle graphics. .

Premier Graphics Inc. - *Graphic Designer*

August 2016 - February 2017

- Worked independently as well as with the team of designers and production crew on projects large and small.
- Designed things such as signs, vehicle wraps, flyers, banners, and logos.
- Ran printers daily and helped with some production of vinyl installation.

Tridico Sign Company - *Graphic Designer*

December 2013 - August 2016

- Worked as the solo graphic designer for this company. This allowed me to work closely with the printers and salesmen to learn all types of materials and different ways to make signs.
- Designed signs and proofed mocked ups of the signs to customers then submitted the artwork for permits for those signs.
